The Monthly Newsletter for the Roanoke Ski & Adventure Club

President's Message

"OK... Let's go!"

These words were uttered by General Dwight D. Eisenhower the evening of June 5, 1944 when he finally decided to launch the next morning the most massive military invasion our world has ever known.

On June 8, 2019, the RSAC retraced this great event as we collectively ventured out in equally harsh and rainy weather to honor the memory of these brave soldiers at the Bedford D-Day Memorial. Our force was substantial with some 40 members braving the weather and supporting our own Bill Fleshman, who volunteers weekly as a D-Day Memorial staff guide.

On Monday, July 8th we will have our Happy Hour Social at Mellow Mushroom @ 5:30 pm followed by our Trip Kick-off Party at Loch Haven on Sunday the 14th @ 4 pm, and the Salem Red Sox vs. the Winston Salem Dash at the Salem Ballpark on the 23rd @ 7:05 pm. Please mark these events on your calendars and plan to attend.

Our Kick-off Party will launch the 2019-20 Ski & Adventure Program including the particulars for a *beach week, local skiing*, as well as, *Banff, Snowmass, Steamboat & Big Sky*, with Adventures to *Lisbon, Portugal and cruising of the Douro River*, the *Swiss Alps and Lakes Great Train Ride and the Romance of Lake Como, Italy*, and not least of all, *New Zealand and Sydney*. This is a great lineup and a great time to be a member, so be sure to get your membership current and prepare to sign up. Raffle prizes, hors d'oeuvres and soft drinks will be available, however, BYOB if desired.

It is impressive what our Board has done to maintain the energy of the past while increasing the choices for our membership. As we go forward, some Board positions still cry out to be filled. The need for Marketing and Program Directors is real. Please give this thought and add your talents to our team. Step forward and join in!

Respectfully submitted,
Don Hanley, President

*To actively promote and engage our members' appreciation of the outdoors,
our love of skiing, travel, and adventure.*

Event Summary:

Visit to D-DAY Memorial June 8, 2019

In early June 1944, the weather on the English Channel was the worst in 40 years. The timing of the Allied invasion was dependent on the conditions of the tide, the moon and weather. The invasion, originally planned for June 5th was aborted. If it did not get underway by June 6th, it would have to be delayed several weeks to meet the conditional requirements. Gen. Eisenhower commanded his British and American weather predictors to give him a report in the early morning hours of June 6th. After a lot of analysis, the predictors agreed that there would be a window beginning around 6 AM that would permit the invasion to commence. Weather was not optimal but acceptable. With 5 ft waves in the Channel, Gen. Eisenhower gave the command, "Let's Go!", which initiated the largest land, sea, and air combat mission ever undertaken in history. The rest is history.

On June 8th, 40 Roanoke Ski & Adventure Club members took advantage of our break in weather to visit the DDAY Memorial in Bedford. Following the visit, we all met at Beale's Brewery in Bedford.

Completed – Read the following Summary!

Forty-two members of the Roanoke Ski & Adventure Club departed on May 22 looking forward to a very exciting trip to Amsterdam coupled with a Rhine River Cruise. We spent the better part of three days in Amsterdam before boarding the M/Y Gerard Schmitter for our 7 day cruise down the Rhine. Most of us visited the Van Gogh Museum and Rijksmuseum in Amsterdam which housed the single largest collection of Rembrandts in one place. Some of us skipped the Van Gogh went to the Heineken Experience for a tour and some refreshments. And as we biked through the streets of Amsterdam, we were given a personal tour of many sights that can only be appreciated by bike. After boarding our home for the next 7 days, our boat took us to Zaanse Schans to see century old windmills, a bike ride through the De Hoge National Park, Cologne to see their magnificent Cathedral, Rudesheim, where we visited a fascinating Museum of Musical Instruments. We also experienced a chairlift ride for a beautiful view of the vineyards and the river, and lastly a visit to Heidelberg for a tour of their famous castle. While the Gerard Schmitter caters primarily to French clientele, we made the best of the delicious French cuisine served daily by a very attentive staff. After departing our boat on May 30th, and on our way to Zurich for an overnight before returning to the States, we traveled to Colmar, France for a fascinating tour of this beautiful city with its quaint side streets and alleyways.

TRIPS 2019 – 2020

Our club had a phenomenal response to our trip surveys sent out this Winter. A total of over 260 member responses to our surveys indicated members were 'Very Interested' or 'Somewhat Interested' in one or more of our trips next year. The Trip Director and Board members have put in many hours evaluating your surveys, selecting trips and then working with our suppliers to refine a terrific lineup of long distance trips for 2020. With an eye toward our ever-growing membership with diverse interests, this year we are offering three international Adventure trips as well as four Western ski trips. We also are again offering our beach trip to Kiawah Island in September 2019.

New this year is the initiation of a Trip Leader training program. Where you see two names listed on a trip, one is the Trip Leader and the other is Assistant Trip Leader.

Now, Trip Leaders are busy working on their respective trip packages to present to you at the Trip Kickoff Party at Loch Haven Lake from 4:00 – 7:00 on Sunday, July 14th. (2745 Loch Haven Lake Dr, Roanoke, VA 24019). So please mark your calendars!

Keep an eye out for the trip brochure which will be mailed in early July. Contact me if you haven't received one by July 13 or pick one up at the Party.

The new Snowmass Base Village opened in December 2018. Featuring a five-story indoor climbing wall, a village plaza with ice-skating rink, new retail shops, and The Collective—a collaborative art, music, culture and activities space—a fabulous addition to the already charming Snowmass Village!

Always a club favorite, you can spend the entire week skiing and riding at Snowmass/Aspen without covering the same ground twice. Even on a crowded day, there are only 3 skiers per acre, meaning you will likely have a run all to yourself. From the choice expert terrain of Burnt Mountain Glades, High Alpine and the Cirque, to the long blue groomers and impressive beginner facilities, there is more than enough terrain for every ability.

Not to be missed is the Longshot, a 5.3 mile long run!

Anyplace else, this would be considered four separate vacations, but not in Aspen! Skiers will find more than 5,300 skiable acres between Snowmass, Aspen Mountain (Ajax), Aspen Highlands and Buttermilk. Add the endless dining, nightlife and shopping in the famous town of Aspen and you have a perfect winter vacation.

SKI TOWN USA!

Immerse yourself in western heritage and spend a spectacular week in the majestic Steamboat Springs Mounting Range. With nearly 350 inches of average snowfall annually, Steamboat is a premier snowy playground. The Steamboat Ski Area offers 6 peaks and over 2,965 skiable acres, in addition to numerous cross country ski and snowshoe trails. Don't forget about the adrenaline rush of Steamboat Snowmobile Tours along Rabbit Ears Pass and the Zirkel Wilderness Area.

Steamboat is also known for its many natural geothermal hot springs. Take a relaxing soak at the Old Town Hot Springs in downtown, at the end of an invigorating ski day. Steamboat Springs will not disappoint for après and dining, with nearly 100 eclectic restaurants in town. Enjoy the historic downtown with unique local bars, multiple award winning breweries, quirky eateries, and upscale world renowned dining.

Steamboat receives more snow than any other major destination in Colorado. Pair their trademarked "champagne powder" with Steamboat's abundance of moderate-angle glades, and you get some of the best lift-served tree skiing anywhere. As a powder capital since 1963, the area's skiing roots are intertwined with those of America.
