

President's Message

Biggest kickoff yet! 177 members showed up at the Elks. Appears as if we'll have no difficulty filling our up-coming trips.

Don't forget. If any of the trips involve a lottery, don't be disheartened. Waiting lists work. Chances are good that if you are on a wait list, you'll be able to get on the trip.

Enjoy the rest of the summer!

See you at happy hour and Salem Red Sox baseball.

Happy Hour at Green Goat, July 11th

Green Goat graciously accepted over 65 RSAC members for our July happy hour. It was a beautiful evening and everyone enjoyed their drinks, dinner, and fellow members. It is difficult to talk about skiing when the weather is in the 80's but we always do. Also, lots of enthusiasm for upcoming July 19 Trip Kick Off Party.

Activity: D-Day Memorial and Brewery Visit, July 22nd

25 RSAC members had an educational and interesting tour given by our Club Member, Bill Fleshman, who has volunteered his time as a guide at the Memorial for over 5 years.

The 2023 Ski Trips are Filling up Fast!

It's an exciting season and there are still open spots on two of our favorite mountains Steamboat Springs and Copper Mountain.

Always a club favorite Steamboat Springs is an international ski destination featuring 6 breathtaking peaks that receive endless amounts of fresh powder. The city's geothermal hot springs are said to have therapeutic properties featuring swimming and soaking pools.

Copper Mountain is one of the highest ski resorts in Colorado, and offers abundant ski and snowboard terrain for all ability levels. With uncrowded slopes, superb mountain views and the convenience of a small friendly village at its base.

Steamboat, Colorado: Jan 28th- Feb 4th Stay at the premier Ski-in/Ski-out destination in Steamboat Village, the Ptarmigan Inn, a newly renovated hotel at the base of the mountain next to the Gondola. Steamboat receives more snow than any other resort in Colorado, is known for its "champagne powder", and festive après ski.

Copper Mountain, Colorado: Feb 12th- Feb 18th (6 nights) Don't miss Summit County's favorite ski resort! Stay in Center Village at the brand new Element 29 Hotel just steps away from the lifts. Enjoy 2,500 skiable acres with a wide variety of terrain for all levels and FREE Cat Skiing on Tucker Mountain. Copper offers some of the best Ski School opportunities in the west, if you want to improve your technique.

FULL STEAM AHEAD

Steamboat is investing nearly \$200 million in a huge expansion around the mountain. This unprecedented venture will help to make Steamboat one of the premier ski destinations in the world for decades to come.

Plans for an après ski plaza, new restaurants, bars, new lodging, a ski beach and an ice rink. On the Mountain – new lifts and new terrain that will make them the second largest resort in Colorado. In the tradition of their pioneering spirit and out of the genuine western heritage of Steamboat, comes an entirely new vision for the resort.

Steamboat receives more snow than any other major destination in Colorado. Pair their trademarked "champagne powder" with Steamboat's abundance of moderate-angle glades, and you get some of the best lift-served tree skiing anywhere. As a powder capital since 1963, the area's skiing roots are intertwined with those of America. A truly unique ski town with the iconic Ski Haus, the coolest and one of the largest ski shops in the US.

Trip Includes

- 7 Nights at the Ptarmigan Inn, Steamboat Springs CO
- Roundtrip Airfare from Roanoke
- 5 Day Lift Ticket
- Ground transfers on private coach
- Steps from the slopes

The Ptarmigan Inn is newly renovated and located at the base of the mountain next to the gondola. This is a premiere ski in- ski out location at Steamboat. The hotel offers breakfast and has a small bar located inside its lobby.
