

Guess What? Another Adventure Trip in 2023!

Sail the Caribbean aboard the Royal Clipper March 25-April 1, 2023

The Roanoke Ski & Adventure Club is offering an additional Adventure Trip for the winter 2023 —sailing on a tall ship in the Caribbean. You will board the 429 ft **Royal Clipper Tall Ship**, with its 5 masts and 42 sails, and travel from Barbados throughout the Grenadine Islands. This tall ship offers the ultimate in seagoing experience with exquisite dining, spacious cabins, 3 swimming pools and a maximum of only 227 guests. It's an amazing adventure!

Price includes pre-trip party, direct air (Charlotte to/from Barbados), cabins aboard the Royal Clipper, Port Charges, transfers in Barbados, all meals, shore visits to many Caribbean islands, and \$100 shipboard credit plus complementary gratuities and complementary cocktail party. Travel between Roanoke and the Charlotte airport still to be determined. Cost: \$3663pp

Key Ports of call: Bridgetown, Barbados; Grenadines; Tobago Cay, Kingstown, St Vincent; Fort de France and Soufriere, Martinique; Marigot Bay, St Lucia

Due to the timely turnaround booking requirements, we are offering the trip as follows:

- All Trip Applications and deposit checks must be received by Saturday [October 10th](#) to be considered for the trip. Applications received after that date will be wait listed until all on-time applications have been considered. All applications received on or before October 10 will be considered as received on time.
- Suggest you mail early or hand deliver your applications and deposit checks to the Trip Leader.
- All RSAC members are welcome to apply for trip. If we are oversold (more applicants than cabin availability), priority will be given to those members who are not currently signed up for a 2023 Club trip. Any additional cabins not assigned will be offered based on a lottery among any remaining member applicants.

Note that COVID vaccines must be current and proof of negative test before boarding the ship is required. Travel insurance is required by Royal Clipper policy. This may be subject to less stringent requirements as cruise industry relaxes policies.
