2,900 Acres of inbound terrain, great tree skiing,
two massive bowls, and an open boundary policy!

Schweitzer ranks as one of the nation's top winter destinations with 2900 acres of amazing terrain thanks to its two massive bowls and renowned tree skiing. Located in the Selkirk Mountains of the Northern Idaho Panhandle, Schweitzer overlooks the town of Sandpoint, and offers breathtaking views of three states, Canada, and the impressive Lake Pend Oreille.

Spend a memorable week in the Selkirk Mountains at the classic and cozy Selkirk Lodge, full of Northwest Charm in the heart of the Ski Village. The hotel offers ski-in/ski-out access to the slopes, and on-site dining in the Chimney Rock Grill.
