

# Egypt & River Nile Cruise

April 11-20, 2024

Join us on our journey through Egypt, a sightseer's paradise, with a multitude of exciting sights to discover. At the top of the must-see list is the Great Pyramids Complex of Giza, just outside Cairo. Here, we will explore all three great pyramids, the famous Great Sphinx, and the Temple of Valley. On our second day in Cairo, we will see the Citadel of Salah El Din, the Alabaster Mosque, the Egyptian Antiquities Museum, the Khan El-Khalili Bazaar, and perhaps the new Grand Egyptian Museum. Our third day will be dedicated to Alexandria. On day four we will fly from Cairo to Luxor, where we will board the M/S Farah Cruise Ship for our four-day cruise of the Nile. Our cruise will include plenty of time for relaxing, enjoying the scenic beauty, touring the most magnificent ancient sites in the world, and dining on amazing culinary delights. Each day will be filled with a combination of cruising and land excursions to historical and cultural sites such as: the Luxor Temples, the Temple of Karnark, the Valley of the Kings, Memnon Colossi, the mortuary Temple of Hatshesut, the temple of Horus at Edfu, the Kom Ombo Temple, the Aswan High Dam, and The Temple of Isis (Philae). On our final evening of the cruise, we will have farewell drinks on the top deck followed by a Gala dinner & party in the main dining room.
