

AUSTRIA- KITZBUHEL & INNSBRUCK

February 9th – February 19th , 2024

Kitzbühel

Whether you are a professional skier or a beginner of any age, anyone who loves snow is in the right place in Kitzbühel. Year after year this popular Alpine town attracts winter sports enthusiasts with miles of ski routes and the best cross-country ski runs. You are sure to see the most diverse downhill categories, the finest snow, the greatest modern lift and gondola systems and an attractive range of offers on and off the slopes. The ski area alone is not the only magnet for adventure seekers at Kitzbuhel.

If you like cold, snow and winter, you can organize every day with something different ; Cross-country skiing, ice skating, snowshoeing, tobogganing, curling, dog sled tours, snow sleigh excursions and igloo building. Explore the region in your own way and experience everything that the Kitzbühel winter has to offer.

Innsbruck

The old town center of Innsbruck is one of the city's most popular attractions. The seemingly untouched 500-year-old cobbled lanes bring you back in time. The city has done a spectacular job preserving the late-medieval architecture. Cafes and restaurants fill the streets, and they are a great place to sneak inside, warm up for a bit, and enjoy a nice, warm apple strudel. You could easily spend an entire day exploring the Altstadt, as many of Innsbruck's attractions are located here.
