

Steamboat®

MARCH 1st – 7th 2025

Stay slope-side at the Gravity Haus Hotel and immerse yourself in western heritage during your spectacular week in the majestic Steamboat Springs Mounting Range. Steamboat is a premier snowy playground, offering 6 peaks, over 2,965 skiable acres, and numerous cross country ski and snowshoe trails. One of the largest ski resorts in Colorado, Steamboat Springs has been dubbed Ski Town, U.S.A. ®, due to the fact that more Olympians call Steamboat home than any other ski resort. A truly unique ski town with the iconic Ski Haus, the coolest and one of the largest ski shops in the US and the 125 year old cowboy outfitter, F.M. Light and Sons where you can buy an original Stetson Hat.

Steamboat is also known for its many natural geothermal hot springs. Take a relaxing soak at the Old Town Hot Springs in downtown, at the end of an invigorating ski day. Steamboat Springs will not disappoint for après and dining. Enjoy the historic downtown with unique local bars, multiple award winning breweries, quirky eateries, and upscale world renowned dining.

Steamboat Ski Resort is a premier ski destination famous for its Champagne Powder®. The mountain is also known for its unique aspen glades, offering up some of the best tree skiing in North America.
